EXTRA-CURRICULAR ACTIVITIES SEPTEMBER 2014

It is proposed that extra-curricular activities for this term will commence next week. Details of sporting activities will be dealt with separately by teachers as these are done on a voluntary basis without payment by teachers in the school.

This year we are organising Extra-Curricular activities in a slightly different way which we feel will be more manageable for all concerned. We have listed below the extra-curricular activities which will be available but instead of sending payment and consent forms into the office, all forms will be processed by the relevant teachers on **Wednesday morning 10th September at 8.30a.m. in the Halla of the Senior School**. Places will be allocated on a first come, first served basis.
