

PARENTAL PERMISSION FORM

Dear Parents,

As per school policy, I now enclose a **Webwise Advice Page** and a copy of the school's **Acceptable Internet Usage Policy**, along with this note. Each year, your child participates in certain activities, both inside and outside school and occasions arise when photographs are taken. In order to cut down on unnecessary paperwork and simplify record-keeping, we have decided to include several permissions on one sheet. **Please read carefully each of the items below and tick the relevant box.**

I hereby give permission for my child in relation to the following:	Yes	No
..to be photographed participating in activities inside and outside school, such as matches, quizzes, choir, Book Week, Carol Service, Skipathon, trips to Concert Hall/Marley Park/Table Quizzes/Santry Athletics etc. etc. etc.	<input type="checkbox"/>	<input type="checkbox"/>
On some occasions when representing the school, local press photographers take group photos of children and in some instances identify the children by name. Do you agree to the school using your child's photo in this way? (Please remember that removing a child from a photo of the rest of the class can be upsetting for the child).	<input type="checkbox"/>	<input type="checkbox"/>
Can we use your child's name (not photo) in relation to publicising school events and activities in our newsletter, website and similar publications?	<input type="checkbox"/>	<input type="checkbox"/>
Can we use your child's photo in the school hall or on the corridors when displaying school activities for display purposes and to celebrate activities within school?	<input type="checkbox"/>	<input type="checkbox"/>
It is the school's policy to celebrate your child's work and achievements. As a result, photos of your child and his/her work may appear on our website. Best practice as stated in our 'Acceptable Internet Use Policy' will always be followed. At no stage will your child be identified by name (unless previously agreed with you). Usually children will only be pictured at a distance and in groups. Do you agree to the school using your child's photo in this way?	<input type="checkbox"/>	<input type="checkbox"/>
